**REFUNDS:** Requests received prior to the closing date will be honored, subject to a 20% administration fee.

Entry fees will not be refunded in the event a dog is absent, disqualified, excused by the judge or veterinarian, barred from competition by action of the event committee or UKC, or pulled after closing due to injury or any other medical condition.

Females who come into season after the closing date will have entry fees refunded subject to a 20% administrative fee, provided a veterinarian's certificate verifying female came into season after closing date for entries. The certificate may be mailed, provided the post-mark is no later than the date prior to the date of the trial, or delivered by hand to event secretary a half hour before the published start time of the trial.

Every effort will be made to find all duplicate entries before processing. If a duplicate entry is processed, however, no refund will be made.

No entry fees will be refunded if the event cannot open or be completed because of riots, civil disturbances, fire, an act of God, public emergency, or any other cause beyond the control of the organizing committee.

**Returned checks do not constitute a valid entry fee. These entries and any/all results will be pulled. The club will add \$35.00 for each returned check.**

The host club, their agents, members, etc., assume no responsibility for any loss, damage or injury sustained by exhibitors, handlers or any of their dogs or property.

**SUBSTITUTIONS:** Substitutions will be allowed. Day of show fees will apply to any substitution made after the closing date, except for females entered in Junior showmanship who come into season.

**CHANGES/CORRECTIONS:** Owners are responsible for the accuracy of information in the entry forms, regardless of who may make such errors. If an exhibitor is not called for their correct class or is called for an incorrect class it is their responsibility to ask the steward to stop the show and check with the show secretary to correct the error. Owners and exhibitors are responsible for correcting any errors in their entries.

Pre-entries cannot be modified after the closing of pre-entries other than for move-ups and corrections. If a dog is entered in only some of the shows during a weekend (for example Saturday only) the entry cannot be modified to switch shows (for example switching to Sunday only) even if they are absent for some shows.

**MOVE UPS:** Allowed between days only (not between trials/shows). Exhibitors are responsible to get the secretary the completed UKC class change paperwork. Incomplete forms will be returned and not processed. Forms MUST be processed prior to allowance of a move-up or change.
