**REFUNDS:** Requests received prior to the closing date will be honored, subject to a 20% administrative fee.

Entry fees will not be refunded in the event a dog is absent, excused by the judge or veterinarian, barred from competition by action of the event committee or UKC, or pulled after closing due to injury or any other medical condition.

Every effort will be made to find all duplicate entries before processing. If a duplicate entry is processed however, no refund will be made.

No entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbance, fire, an act of God, public emergency, or any other cause beyond the control of the event committee.

Females who come into season after the closing date will have entry fees refunded subject to a 20% administrative fee, provided a vet certificate verifying the female came into heat after the closing date for entries. The certificate may be mailed provided the post-mark is no later than the date prior to the date of the trial, or delivered by hand to the event secretary a half hour before the published start time of the trial.

**Returned checks do not constitute a valid entry fee. These entries and any/all results will be pulled. The club will add \$35 for each returned check.**

The host club, their agents, members, etc. assume no responsibility for any loss, damage or injury sustained by exhibitors, handlers or any of their dogs or property.

**CLASS CHANGES/CORRECTIONS:** Owners are responsible for the accuracy of information in the entry forms, regardless of who may make such errors. If an exhibitor is not called for their correct class or is called for an incorrect class it is their responsibility to ask the steward to stop the show and check with the show secretary to correct the error.

Owners and exhibitors are responsible for correcting any errors in their entry.

Dogs that, according to their owners' records, have completed the requirements for a championship or grand championship after the closing of entries, may be transferred from the entered class to another class for which the dog is now eligible, provided that a request for transfer is made in writing to the show secretary no later than ½ hour prior to the start of any regular judging at the show. The only exception to this is when two shows are running concurrently and a dog completes a championship in show 1. In that case, the request may be submitted any time before the start of judging of the breed in show 2. In the event that a breed is judged in show 2 prior to show 1 and a dog completes a championship in show 2, no move ups will be allowed for show 1.

All other corrections to entries must be made in writing to the show secretary not later than ½ hour prior to the start of any regular judging at that show.

Pre-entries cannot be modified after the closing of pre-entries other than for move-ups and corrections. If a dog is entered in only some of the shows during a weekend (for example Saturday only) the entry cannot be modified to switch shows (for example switching to Sunday only) even if they are absent for some shows.
